Deputy Secretary Nancy Thaler Everyday Lives Webinar Recording and Transcript Posted to MyODP

ODP Communication Number 101-16

The mission of the Office of Developmental Programs is to support Pennsylvanians with developmental disabilities to achieve greater independence, choice and opportunity in their lives.

AUDIENCE: All Interested Parties

PURPOSE: In 2016, The Office of Developmental Programs (ODP) released *Everyday Lives, Values in Action*. This document articulated the values identified by both the individuals with disabilities and their families. It is the intent of ODP to utilize both this document and the thirteen recommendations agreed upon by the Information Advisory Sharing Committee (ISAC) as a guide for all policies, procedures and planning that propels needed changes in our structure and interaction with our stakeholders.

DISCUSSION: Deputy Secretary Nancy Thaler conducted three webinars in September, 2016 that provided a clearer structure and framework for the intended changes. These were live events that not everyone was able to attend. Because the message and direction ODP intends to take are strongly connected with the *Everyday Lives Values in Action* document and the thirteen ISAC recommendations, one of the webinars was recorded and is now available on MyODP. A transcript of the recorded webinar also has been posted.

The webinar is located on MyODP.org under the Everyday Lives tab. You do not need to be logged in to access the presentation.
