

# Cars For A Cause & Trunk or Treat Participation Guidelines Saturday, October 12th, 2024 10 AM - 2 PM

## Important Information

1. All participating parties (vendors, food trucks, show cars, demonstration teams) please use the special event entrance to the park. **350 E. Bristol Road of Warminster Community Park. Please check in at the registration tent for your assigned space.**
2. Vendors will be placed on a first come, first serve basis. Food trucks will be separated from vendors. Trunk or Treat participants will be directed where to set up. Arrival begins at 8AM.
3. PARKING: You may park one vehicle at your space. All other vehicles must be moved by 9:30AM to the spectator parking area. **Show cars** will be directed by volunteers. First come, first serve. If you want to park as a group, please line up before entering registration. If a show car preregistered, you still need to check in.
4. Please note, we will not provide electric service, tables, chairs or tents. You must bring all equipment-unless you have made arrangements in advance. Tents **must** have tent weights as WCP gets very windy. Tents are recommended as there is no shade. You will have a 10 x 10 space.
5. If you are not providing treats for trick or treaters, please reach out so we can be sure to provide you with treats.
6. We ask for patience and understanding during set up as it is hard to anticipate the volume of show cars arriving. Our staff on site for the day are volunteers and please remember this is a fundraising community event.
7. Car Show judging will be from 11-1 with awards approximately around 1: 30PM.
8. This year we have a rain date, for Sunday, October 13th, 2024. Weather calls are very difficult for outdoor events and there are many factors to consider. If the weather is a factor, a call will be made by mid-day, Friday Oct. 11th and each participant will be contacted with an update by email. We also recommend following our event on Facebook for updates.

9. Please reach out to Melissa Bradford, Development Manager, 215-794-0800 ext. 4332 or day of phone 267-371-0719 (text is best day of) if you have an urgent need.
10. A general map has been included and a volunteer will direct you where to go on event day.
11. Donations of candy and raffle baskets are still being accepted.
12. Thank you for your participation and support of the 2024 Cars for A Cause Event & Trunk or Treat.
